Professionally Managed Storage Solutions in Corpus Christi

Oso Mini Storage, locally owned and operated, provides **climate controlled storage**, **RV storage** and conventional **storage units in Corpus Christi**, Texas.

Conveniently located near the **Navy base** and **Texas A & M University - Corpus Christi**, Oso Mini Storage provides quality storage solutions equipped with security cameras that monitor the facility 24/7, have an access controlled gate and limited building access for your protection.

Among the many options available for your storage needs are conventional units ranging from 5 x 5 to 10 x 20, **covered and open storage spaces** and **RV and Boat storage**. Oso Mini Storage also features many **drive up units** and some **climate controlled storage units** for your more specialized storage needs.

Benefits of Self Storage

For the RV and Boat enthusiast the benefits of self-storage include **preventing vehicle damage or theft**, **freeing up space at home** and **convenient and affordable access**. For the college student self-storage is an affordable and **practical solution for storing seldom used belongings** not needed day to day while living in a cramped dorm room. For international, or students that study abroad, self-storage provides a safe, affordable place to store their stuff while they are away.

Lease Your Unit Today
